## ***Preface***

Welcome to the 2018 online edition of the Province of Ontario Breed Specific and All Breed Rescue Directory, a project undertaken by Speaking of Dogs. We hope it enables users to unite dogs with people and people with dogs.

Please note: It is not possible for Speaking of Dogs to obtain each individual rescue group's policies and procedures. Therefore, it is up to each sheltering organization to acquire these details prior to making the decision to release a dog into their care. Sheltering organizations may wish to question policies such as spay/neuter, foster care arrangements, housing, adoption contracts, home visit protocol, veterinary care and/or return policies.

Our volunteers have contacted each rescue and shelter in an effort to provide current and accurate information in this directory. Most rescue organizations, however, are run solely by volunteers, and despite everyone's best efforts, changes are inevitable and key contact people may no longer be in a position to respond. Therefore, please let us know if you come across any changes that need to be made for the 2019 edition.

For the first time since its inception in 2000, the rescue directory will not be published in hardcopy. This is because we were unable to secure advertisers.

Wags and wiggles of thanks to Kathy Bruce, Ian Houston and Cathy Vandergeest for their help with updating, formatting and design.

Heartfelt thanks to the dedicated canine rescuers who are part of the directory and offer their assistance to the many dogs who come to them in need.

Hopefully, the online version will continue to offer Ontario shelters, humane societies and animal control facilities a comprehensive resource list to help the many dogs who come through their doors each day.

The directory can be accessed online at [www.speakingofdogs.com](http://www.speakingofdogs.com)

To all who care for and about dogs,

Lorraine Houston
